Effective from
June 2024

Welcome to Five Star Electricals (India), the distinguished manufacturers of **ArciL** modular switches. With 48 years of industry experience, we are committed to providing top-quality products that combine innovation and reliability.

Our switches and sockets are BIS certified, guaranteeing exceptional safety and performance. Each switch and socket features 100% brass components and copper contacts, ensuring superior conductivity. Additionally, we use FR grade polycarbonate for enhanced durability and safety.

Our product range includes Gold Modulares, Green Modulares, and Premium Modulares along with other connecting accessories catering to diverse aesthetic and functional preferences.

As an ISO 9001:2015 certified and RoHS compliant company, we prioritize both quality and environmental responsibility.

All our products are designed for simplicity, making them easy to use and install. We procure all raw materials with sustainability in mind, ensuring they are recyclable and helping to keep the environment green.

Choose **ArciL** for excellence in performance, convenience, and eco-friendliness.

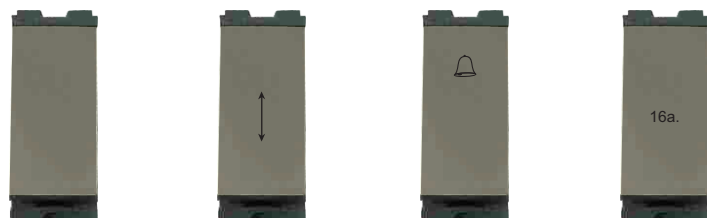

Arcil[®]

Gold MODULARS

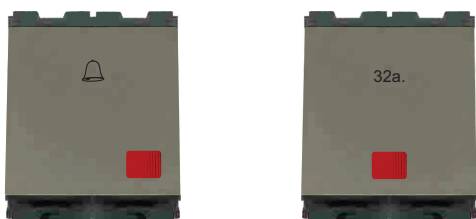

- Individual safety shutters for child safety.
- Triple layer mechanism for spark protection.
- 360° rotation fan regulators for break free operations.
- Hi-performance switches with more than 1 lakh clicks guaranteed.
- 2 A. USB Port with surge protection for faster charging & safety from voltage fluctuations.
